What's Included (Deep Dive)

Monthly office hours: Join two live sessions each month to ask questions, get help with your HubSpot challenges, and learn from what others are doing. A collaborative space to stay sharp and supported.

1:1 Support – 5 Hours Standard: Hands-on, personalised guidance tailored to your HubSpot setup. Book sessions for troubleshooting, configuration, or team training when you need expert input.

Quarterly Strategy Sessions: High-level check-ins every quarter to assess what's working, what's not, and where your HubSpot system can support future growth more effectively.

Online Community: A private, on-demand learning hub full of HubSpot videos, feature updates, best practices, and how-to guides, helping you get even more from your CRM, anytime. This will be launching in Q4 2025.

Ideal For...

Core:

- Teams that are confident with HubSpot but want occasional expert input.
- Businesses with stable processes that need light-touch support.
- Clients who want access to group learning and monthly check-ins.

Plus:

- Growing businesses evolving their sales or service processes.
- Teams building out new features or expanding into more of the HubSpot platform.
- Clients looking for regular access to content, tips, and community insights.

Premium:

- Fast-scaling companies or teams with complex systems.
- Businesses needing 1:1 troubleshooting, system maintenance, or user training.
- Leadership teams that want a strategic partner to align HubSpot with growth.
